## Please Boost the Tap

We can't do this alone. This blog provides a regular comment on matters of concern to readers. It is often described as 'lively' 'enjoyable' and 'interesting'. The Tap is run by software professionals who don't invoice their work, but who have ordinary jobs and like everyone else, need some income from time to time. If you are enjoying the Tap, you might bear this in mind and send us a little thank you occasionally. It would be greatly appreciated. We don't want to have to charge for the Tap but without the odd donation to cover hosting sadly we will have to.

# Jews Focus/Create Hell on Earth. VERY IMPORTANT Historic Overview

(2) Sulaiman Ahmed on X: “BREAKING: Criticism of Israel, a foreign nation, now makes you ineligible for U.S. citizenship. Anyone who’s criticised Israel over the past year and a half will never be allowed to move to the United States. The 1st amendment lasted 249 years, until Israel decided otherwise. https://t.co/FTbG1Mx8DQ” / X

———————————-

A Rothschild Journal published in 1889 included a document dated January 13, 1489, from which I excerpt the following: “ The advice of the Grand Satraps and Rabbis is as follows: … make your sons merchants that little by little they may despoil the Christians of their possessions. make your sons doctors and apothecaries that they may take away Christian lives. … make your sons canons and clerics in order that they may destroy their churches. … arrange that your sons become advocates and lawyers, and see that they mix themselves in the affairs of the State, in order that by putting Christians under your yoke, you may dominate the world.”

“You have not begun to appreciate the real depth of our guilt. We are intruders. We are disturbers. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them.” – Marcus Eli Ravage, Jewish author, quote from January 1928 issue of Century Magazine , speaking of Jews and Judaism.

What was legendary peace activist Mahatma Gandhi’s suggestion re. the Jewish problem facing humanity? “ The salvation of the Jew lies in their committing mass suicide.” Asked to clarify his remark Gandhi added, “Suffering voluntarily undergone will bring Jews an inner strength and joy. If the Jewish mind could be prepared for voluntary suffering even the massacre I have imagined could be turned into a day of thanksgiving. It is a joyful sleep to be followed by a waking that would be all the more 16 refreshing for the long sleep.” – excerpted from a letter to George Orwell, http://www.youtube.com/watch?v=uQKlz3CvcWI

George Washington, first President of the United States, well understood the peril presented by organized Jewry. He declared Jews should be “hunted down as pests of society, and the greatest enemies we have to the happiness of the United States.” – Maxims of George Washington , pg.125-126. Washington was (ritually) murdered by a Jewish physician who was “treating” him for a simple respiratory problem via bloodletting.

Yet Judaism is just another mind control program.

“None are more hopelessly enslaved than those who falsely believe they are free. The truth has been kept from the depth of their minds by masters who rule them with lies. They feed them on falsehoods til wrong looks like right in their eyes. ” – Goethe. [Though true of the misled Goyim sheeple, Goethe’s observation is more especially true of the Jewish people who have been ceaselessly fed the hideously absurd lie that they are “God’s Chosen”. All Jews know this lie, that they are in fact Satan’s Chosen.]

## Events in the UK

**The Alternative View Presents Roger Anderton**

Date: 4 May 2025

Time: 11:00 - 16:00

Location: The Assembly Rooms, Glastonbury, Somerset, UK

**“Einstein Wrong and Special Relativ**

This article The Jewish Jesuit Satanic Bloodlines 2 : anonymous : Free Download, Borrow, and Streaming : Internet Archive exposes those not merely behind the curtain, but those who direct the global Punch and Judy Horror Show from the wings, backstage. They are the spawn of the 200 described in the following:

“From page 14 of The Curse of Canaan: “Modern day events can be understood only if we can trace their implications in a direct line from the earliest records of antiquity. These records concern pre-Adamic man, a hybrid creature whose origins are described in ancient books. The Book of Enoch (which itself is part of an earlier Book of Noah, written about 161 B.C.) says that Samjaza (Satan), the leader of a band of two hundred angels, descended on Mt. Carmel. They had lusted after the daughters of men from afar, and now they took them for wives. These fallen angels, known as the Order of the Watchers, taught their wives magic. The issue [children] of these unions was a race of giants, known as Nephilim. Genesis 6:4 ‘There were giants in the earth in those days.

‘These giants later became known as ‘the sons of Anak’. In Numbers 13:33, we read, ‘And there we saw the giants, the sons of Anak, which come of the giants.’ These giants constituted a powerful menace to other peoples. In Deuteronomy 9:2 is the complaint, ‘Who can stand before the children of Anak.’ Unfortunately for humanity … Satan, through his children, the Nephilim, and also through Cain has now established a demonic presence on the earth.

His rebellion against God would result in continuous suffering and travail on earth for centuries to come. The history of mankind since his rebellion is the history of struggle between the people of God and the Cult of Satan. [As I have sought to convey, this rebellion against God, against Life, against our essential Source in Spirit, did not begin merely 3,000 years ago.

It began 25,933 years ago (cf. 2025) and reached a culmination approximately 18,000 years ago, in a process briefly presented earlier. Mullins, to my knowledge, was not privy to this larger overview, but founded upon his lifework, this, his final book extends a brilliant offering to any genuinely interested in understanding the Truth of our human history]. The Real History of the Earth. Why in Hell All This is Happening Again! : Anonymous : Free Download, Borrow, and Streaming : Internet Archive pg. 88

“After man began to follow the dictates and ideas of his own outer mind he brought about a further fall by blending himself with a species of animal which had been created in the form much like man today.

These animals did not have an individualized Divine Being within them and they were controlled by the external, just as all other animals are controlled. These animals had been created as servants of divine man, to do whatever physical work might be required in the earth. The fallen being that had been divine man saw these animals, that ‘they were fair; and they took them wives of all which they chose.’ – Genesis 6:1,2

” As the habit of recording, in the days in which the Bible was written, was to describe the acts of the male only, or of the female only insofar as they related definitely to the male, only half of the picture is given. Of divine man, both male and female, the complete record is, and both male and female had a part in the first step of the fall, when they were driven out of the garden by their own acts.

Thus it is that the females of the fallen beings had a part also in blending with these animals, for they took them husbands of all which they chose. The second step of the fall was that which brought man down into the fleshly, animal body which he is today.” – Lloyd Meeker/Uranda ibid. pg 85

This is precisely why we have the world we do. There is much more to reveal about humanity’s hidden past, but this is likely enough for now.

respectfully,

David

We are told the speed of light cannot be exceeded. What if that is wrong? What if Einstein was wrong and the theory of General Relativity is incorrect? Could that open up a whole new world of possibilities?

In May 2025 The Alternative View returns to Glastonbury where Roger Anderton will be asking those questions and putting forward an exciting new model.

Roger Anderton is from the John Chappell Natural Philosophy Society – a group that was formed on the idea that Einstein’s relativity is wrong (especially special relativity is wrong). In relativity there are many paradoxes (such as twin paradox) which are really contradictions; thus the believers in relativity are talking nonsense. In trying to get this information out to the general public we have found our voice has been mostly blocked.

For first time in UK we are presenting publicly the film Einstein Wrong by David de Hilster which has been prevented from being shown at film festivals. Physics has been corrupted by relativity nonsense.

Event hosted by Gary Fraughen.
